YOGA

Yoga offers a harmonious blend of mindful breathing, flowing movements, and gentle stretches designed to enhance flexibility, improve strength, reduce stress, and promote balance and functional movement. Suitable for all levels, it provides a welcoming space to reconnect with your body and mind.

**SilverSneakers® Classic** Designed to increase muscle strength, range of movement and improve activities for daily living. A chair is used for seated exercises and standing support. Class can be modified depending fitness levels.

## CORE AND MORE

Core and More focuses on full body strength and conditioning using body weight and resistance training techniques. The class is designed to strengthen abdominals, glutes, back hips and shoulders and improve functional strength for daily activities.

## CARDIO/CORE

Focus on cardiovascular training and your three-dimensional core using a variety of props and body weight. No downtime and suitable for all abilities!

## CHAIR YOGA

An all-level chair yoga class offers a gentle, accessible practice designed to help every body move with more ease and confidence. Students explore seated and supported standing postures that build strength, improve flexibility, and calm the mind without needing to get down on the floor. The class creates a welcoming space where beginners, seasoned yogis, and anyone with mobility considerations can breathe, stretch, and reconnect with themselves.

## BARRE

With focus on balance, strength, and flexibility, this class will include Barre and floor work to train each muscle group with isometric movements, strength training combinations, Pilates-based core work, and restorative stretches. Barre will leave you feeling stronger, sculpted, and in tune with you body.
